Common issues and solutions

Issue	Likely cause	Solution
Blocks remain unplaced	Not enough free periods, overloaded teacher, or tight split blocks	Run Pre-Check, reduce impossible loads, check assignments, and regenerate.
Teacher clash warning	Teacher assigned to more than one class in the same slot	Move/swap the block or adjust assignments.
Subject appears too many times in one day	Daily spread is too tight or subject load is high	Regenerate or adjust double/single distribution.
Form field not responding	Browser/electron focus issue or overlay interference	Build 72 includes an interaction safety fix.
Print/PDF not fitting	Page scaling or portrait layout selected	Use A4 landscape and fit-to-page print settings.
Licence not accepted	Wrong licence product, edited licence, or expired licence	Import the original licence JSON issued for EXCEL Smart STG.
